Rowan University Visitor Wifi

Information Resources & Technology offers a wireless network for guests visiting Rowan University. Prospective students and their families, vendors, alumni, event attendees and others can get basic internet access while on campus through the Rowan_Visitor_Wireless network.

How to Connect:

To access the visitor wireless network, select Rowan_Visitor_Wireless from the list of available wireless networks on your laptop or mobile device.

Accept the terms of use in the window that pops up and then click Connect. If a window doesn’t automatically pop up, open a browser, navigate to rowan.edu and follow the same steps.
